

General Studies Pre-Teacher Education Specialization

Transfer Programs

Degree:

Associate of Arts and Sciences with a major in General Studies and a specialization in Pre-Teacher Education

Length:

2 Years (4 Semesters)

Purpose:

Pre-Teacher Education Specialization is designed for persons who plan to transfer to a four-year college or university in a teacher education major that requires a background in the social sciences. The specialization provides for course work that will orient students to a career in teacher education. Students are urged to become acquainted with the requirements of the teacher education program at the college or university to which transfer it contemplated and to regularly consult with his/her community college advisor in planning their program and selecting electives. Students should successfully complete all community college courses meeting the grade requirement of ?C.?

Program Requirements:

In addition to the admission requirements established for the college, entry into the General Studies Pre-Teacher Education Specialization program requires competency in English and Math Essentials MTE 1-5 as demonstrated through the placement and diagnostic tests, or by satisfactorily completing the required MTE units or equivalent.
