Depending on the situation, students will be directed to the appropriate office on campus. Students who are in good

academic standing and who are returning in the same program of study may choose to follow the college catalog requirements that were in place at the time of their initial admission to the college, if that program of study is available and if there are no specific program restrictions. Students who left WCC due to Academic Suspension or Academic Dismissal must follow policies published in the WCC College Catalog and Student Handbook to be considered for readmission to WCC. An Academic Renewal Policy is also in place for students who are returning after five or more years.
