

Off-Campus Access

Our web site contains links to a large number of proprietary databases such as General OneFile, Gale Group, and EBSCO. Access to these databases is limited to currently enrolled students and WCC faculty and staff.

Because access is limited, you will need a user name and password to log on to the databases from off-campus.

Username: Your user name is your key to online college services. If you don't know your user name [look it up here](#).

Password: When you look up your username you will be able to set your password.

For username and password help, contact the Distance Learning office at 276-223-4784 or bbhelp@wcc.vccs.edu.
