

Alumni Association

The mission of the Wytheville Community College Alumni Association is to encourage and cultivate social activity and fellowship among alumni and friends of WCC, to maintain and promote the loyalty and support of its alumni to the college, and to assist in the accomplishment of the college's mission while promoting the positive image and stature of WCC to the campus community, the service region, and the Commonwealth.

The WCC Alumni Association has an active presence on Facebook that keeps our former students up-to-date about what's going on around campus now and about future events.
