

Campus Life

Wytheville Community College offers more than just academic programs. Campus life includes a variety of student clubs and activities.

Clubs & Organizations

There are a variety of student clubs and organizations at WCC for student participation. Clubs and organizations can be founded by students, faculty, and staff of WCC. Each club or organization must have at least one faculty or staff member serve as club sponsor. For guidelines for club and organization fundraising activities, please contact the Student Activities Coordinator. [Click here to learn more.](#)

Student Activities

Student activities at WCC is an important part of the total college experience, providing a variety of educational, cultural, and social activities for the entire college community. [Click here to learn more.](#)
