Charlie White, President

The following person has been designated to handle inquiries regarding the non-discrimination policies: Crystal Cregger, Vice President of Finance and Administrative Services, 215 Bland Hall, 1000 East Main Street, Wytheville VA 24382, 276-223-4762. I. RESPONSIBILITY FOR IMPLEMENTATION

The President of the College has overall responsibility for the College’s equal employment opportunity and affirmative action policy. The President has delegated the authority for the administration of the EEO/AA policy to the Vice President of Financial and Administrative Services. The Vice President will assist College personnel in the interpretation and administration of the College’s plan. The Vice President along with the Human Resource Officer is responsible for preparation and submission of pertinent EEO/AA reports.

The Vice President of Financial and Administrative Services is also responsible for monitoring employment procedures and practices to ensure
the effective use of human resources in compliance with Federal regulations and State equal employment practices to include Title IX and Section 504 (ADA).

Each administrative staff person is responsible for ensuring that the EEO/AA plan is carried out within his/her respective area.

II. CONFLICT OF INTEREST

Conflict of Interest
Conflict of interest refers to any situation in which a public employee places his or her own private interests or gains above the duties and obligations of the employee's job. As a State employee, you must avoid any public or private activity which might be regarded as being in conflict with the proper and expeditious conduct of your job with the College.

Also, in compliance with the limits set forth in the Virginia Conflict of Interests Act, some full-time positions at the college have been identified to require holders of the positions to file annual Statements of Economic Interests. Local College Board members are required to annually file a Financial Disclosure Statement.

Employment of Relatives
All personnel actions must be within the limits of the Virginia Conflict of Interests Act, as both shall be in effect from time to time.

An employee of the College shall not exercise any control over the employment or the employment activities of a member of the employee's immediate family and shall not be in a position to influence those activities. (For purposes of this section, immediate family shall be defined as any son, daughter, or spouse whether living in the employee's household or not. Son and daughter shall include those related by blood, marriage, or adoption. Also, included in the definition are all dependents residing in the employee's or board member's household and anyone for whom the employee or board member is a dependent). For example: a spouse of the president, or a member of the president's immediate family, may not be employed by the
college. The spouse of a dean, or a member of the dean’s immediate family, may not be employed in the area of responsibility of a dean.

Each community college is prohibited from employing for remuneration in any capacity whatsoever, either full-time or part-time, a member of the College’s Board, including his/her spouse or a member of his/her family.

III. TYPES OF EMPLOYMENT

All employees in the VCCS are State employees. Personnel are further categorized as follows:

12 Month Administrative Faculty

9 Month Teaching Faculty
Full-time teaching faculty (including program heads and assistant division chairs) are normally on nine-month appointments which include the fall and spring semesters of the academic year. All assistant division chairs and program heads are appointed as teaching faculty. Such appointments are made at the discretion of the individual college.

Associate Instructor Teaching Faculty

which include the fall and spring semesters of the academic year. Associate instructors receive non-continuing one-year appointments that are made at the discretion of the individual college. Associate Instructors receive full benefits and are ranked either Level 1 or Level 2 based on their qualifications.

Part-time 9 Month Teaching Faculty

Part-time teaching faculty members have continuing nine-month appointments which include the fall and spring semesters of the academic year. Part-time 9-month teaching appointments are made at the discretion of the individual college. Part-time 9-month teaching faculty members receive partial benefits based on their workload assignment and are assigned a faculty rank for which they qualify.

Classified Employees/Support Staff

Classified employees/support staffs are employees who occupy positions that are listed in the Commonwealth's Compensation Plan, and who are covered by the Virginia Personnel Act as found in Chapter 10, Title 2.1 of the Code of Virginia, once they have completed the probationary period. They are assigned to an established position and are scheduled to work 40 hours per week. Full-time classified employees are paid on the semi-monthly payroll.

Restricted Appointments

Restricted appointments are individuals holding a restricted appointment to instructional, administrative, professional or classified/support staff positions. A restricted appointment is an appointment to a position that is funded (10% or more) by non-State revenues such as gifts, grants, donations, and contracts or other sources of funding which are not continuing in nature. Employees in restricted positions are eligible for the same benefits as other full-time employees with one possible exception. If funding no longer exists to continue the employment of an employee assigned to a restricted position, severance benefits may not be payable to the employee following the cessation of source funding, unless the funding for severance was included at the time of establishment of the position.

Adjunct Faculty

Adjunct faculty are employed to teach less than a normal faculty load or to
teach less than a full session on a semester by semester or summer term basis. The adjunct faculty contract contains no guarantee of continued employment.

**Wage Employees (1500 Hour Employees)**

Wage employees are employed on an hourly basis and are limited to working no more than 1,500 hours for the college in a 365-consecutive day period. This period begins on the first workday. Hourly employees receive pay increases as approved through the General Assembly but their pay may not exceed the hourly equivalent for the maximum assigned to their role title and/or pay band. All employees paid on an hourly basis, regardless of duties, are considered non-exempt from the provisions of the Fair Labor Standards Act.

The Worker’s Compensation Act, the Family and Medical Leave Act, and the Uniform Services Employment and Reemployment Rights Act of 1994 (USERRA) cover hourly employees. Although they are not entitled to use the Grievance Procedure for State Employees, hourly employees may consult with the Dept. of Employment Dispute Resolution (EDR) on work-related issues and use the State Employee’s Discrimination Complaint procedures.

Hourly employees may also participate in the college’s deferred compensation arrangements, either the 457 or 403(b) plan or both. They are not eligible for the cash match program.

**Volunteer**

Volunteers are persons who, of their own free will, provide goods or services, without any financial gain. A signed volunteer agreement must be on file documenting the terms and conditions of the volunteer arrangement. Criminal background checks may be required for some positions.

**IV. PROMOTION**

All applicants for a position which provides an opportunity for promotion will be given equal consideration on the basis of individual merit. College employees should be encouraged to apply for promotional opportunities and
should be given the opportunity to participate in training which will aid in their professional development.

V. RECRUITMENT/SELECTION PROCESS FOR FACULTY RANK POSITIONS
(to include teaching faculty, administrative/professional faculty and restricted faculty positions)

- The President’s Staff person in charge directs the selection process. (He/She may delegate as desired.) This person will work closely with the Human Resource Office to ensure all State and federal guidelines are met in the recruitment/selection process.

- Initial Steps:
  - Analyze the vacant position to determine if any changes have occurred;
  - Determine the knowledge, skills, and abilities/competencies necessary (or preferred) for the position;
  - Identify the educational qualifications required for the position;
  - The President’s Staff person (or designee) prepares a “Request to Advertise” form (Appendix #1) and submits the completed form, along with a detailed position description, through the appropriate Vice President which is then forwarded on to the President.

When detailing the requirements for the vacant position, the President’s Staff person (or designee) should ensure the required educational level, knowledge, skills, abilities, and required licensure are job-related and in line with those established by the VCCS-29 criteria for faculty personnel. Applicants for faculty positions that are selected for interviewing may be asked to demonstrate their skills through a sample teaching demonstration. Administrative faculty may be asked to give a brief presentation on a specified related topic. All newly hired employees require a criminal history/sex offender background check and may require additional checks based on position. All new
employees are subject to e-verify to determine employment eligibility. Some administrative faculty employees are also required to complete a Conflict of Interest/Financial Disclosure Statement on an annual basis. Such requirements will be specified in the recruitment advertisement.

No positions will be advertised without the prior written approval of the President (signature on Request to Advertise form). The form is submitted to the Vice President of Financial and Administrative Services for approval (signature) and then to the Human Resource Office.

- Wytheville Community College encourages open recruitments which are open to all State employees as well as the general public. If the initial recruitment does not result in an adequate applicant pool, it may be necessary to re-advertise the vacant position.

- The Human Resource Officer is responsible for developing the job announcement and sending it forth to the requested media. All vacancies are advertised both internally and to the general public. Sources utilized by the College to advertise vacant positions may include but are not limited to:

  - the *Daily Bulletin*
  - various professional magazines/journals
  - local and national newspapers
  - VCCS listing
  - College website
  - *Chronicle of Higher Education*
  - Other colleges/universities including predominately Black institutions

At a minimum, all job announcements will include:

- A summary of job duties;
- Educational qualifications required;
- Any occupational certification or licensing required;
- Notification that the selected candidate must have a satisfactory criminal history/sex offender background check prior to hire date;
Notification that additional background checks may be necessary based on position (if the position is considered sensitive in nature);
Notification that new hires will be subject to e-verify to determine employment eligibility;
Notification that the selected candidate must complete a Statement of Economic Interest Financial Disclosure Statement (if applicable);
Notification that copies of transcripts are required;
Notification that letters of reference are required (if applicable);
Closing date for accepting applications (if applicable);
Contact information for submitting application documents;
Contact information should an applicant need reasonable accommodations for a disability;
Number of positions being filled from this applicant pool (if more than one);
Notice to applicants that they may be required to demonstrate the skills and abilities necessary for satisfactory performance of the required work; and,
Any preferred qualifications.

All application materials are received in the Human Resource Office. As documents are received, a listing of applicants is maintained for each position on an “Interview and Selection Log” (Appendix #2).

While applications are being received and prior to the closing date, the President’s Staff person (or designee) in conjunction with the Human Resource Officer will appoint a Screening/Interviewing Committee. This Committee will be diverse in nature and must be comprised of college-wide employees to include administrative/professional faculty, teaching faculty, and classified/support staff. The Screening/Interviewing Committee must have a minimum of three members, one of which must be a member of the Affirmative Action Committee. A Committee Chair will be elected from among the Committee members. This Committee will be briefed on the requirements of the position and the proper conduct of the interview. The Screening/Interviewing Committee will be informed it is a recommending body only; final
selection, in the form of a recommendation to the President, lies with the President’s Staff person (or designee).

- After the closing date, all application materials are available to the Screening/Interviewing Committee. The Human Resource Office will develop a screening grid used for evaluating the applicant pool based on criteria noted in the advertisement. Consistent with the requirement of the Code of Virginia, an applicant who may be a military veteran, will be given consideration for their military service provided that such veteran meets all of the knowledge, skills and ability requirements for the available position. The Screening/Interviewing Committee will narrow the applicant pool and will recommend to the President’s Staff person (or designee) those applicants to interview. The President’s Cabinet will review the Log of Applicants and may add to or remove names of applicants for interviewing. The Human Resource Officer will be given dates to schedule interviews and will contact the applicants to schedule an interview time. The Human Resource Officer will secure a location for interviews to be held and will schedule any visual aids needed for the interviews.

- Prior to the interview, the Screening/Interviewing Committee will comprise a list of questions to be asked to each of the applicants. All applicants will be asked the same questions (unless there is a follow-up question for clarification to one that is asked). Only questions that seek information related to the applicant’s knowledge, skills, and ability to perform the job are acceptable. Questions that are not job related or that violate EEO standards are not permissible. The listing of questions will be reviewed by the Human Resource Officer prior to the interview. Interviewers must document applicants’ responses to questions to assist with their evaluation of each applicant’s qualifications. This information will be retained with other documentation of the selection process.

- The Human Resource Office will compile copies of application documents and questions for each of the applicants and will distribute to each Committee member prior to the interview date.
• The interview process must include a formal assessment of each candidate’s speaking and writing abilities. Written communication skills can be evaluated by requiring candidates to submit a written statement of one or more pages on a topic relevant to the job responsibilities; i.e., their teaching philosophy, or view of the community college. Oral communication skills can be evaluated by requiring, as part of the interview process, that each candidate make a presentation to the Screening/Interviewing Committee (or some other group) on a topic relevant to the job. For teaching faculty, this may involve a “mini-teaching” demonstration on an instructional topic relevant to the area of teaching responsibility. For non-teaching positions, candidates may be asked to identify and discuss major issues or new developments within their area of expertise, or to respond to a problem solving case study. Any requests for written and/or oral presentations will be identified and discussed with the applicants in advance of the formal interview.

• When the applicant comes to the campus for the interview, they will be asked to sign a Release of Information Form (Appendix #3) to give the college permission to conduct a criminal history/sex offender background check. This background check will only be processed on the applicant should they be the recommended applicant for hire. The background check will be run prior to an offer of employment being made to the applicant. A satisfactory background check is required for employment.

  Telephone interviews or skype can be utilized for an initial interview; however, the candidate must meet with the hiring authority before a job offer is made. Should telephone interviews/skype be utilized, documentation of questions and responses are required and will become a part of the documentation for EEO/AA reporting and audit.

• The President’s Staff person (or designee) will conduct reference checks on the candidates interviewed that are considered finalist for the position. Reference check documentation will be retained by the Human Resource Office for EEO/AA reporting and audit purposes and will not become a part of the applicant’s file. See Appendix #4 for suggested reference check format.
• Following the Committee interview, the President’s Staff person and/or the President may interview any and/or all of the applicants.

• The Committee Chair will prepare a written recommendation to the President’s Staff person (or designee) listing strengths and weaknesses of each applicant interviewed along with a recommendation for hire or may make a recommendation to re-advertise should a final candidate not be recommended.

• Once a decision has been made for hiring, the President’s Staff person (or designee) confers with the Human Resource Office regarding a salary calculation. A written recommendation (to include start date and salary) is submitted to the President. The final decision for hiring lies with the President.

• When the final decision has been made, the successful candidate is contacted by the President’s Staff person (or designee) of the offer of employment. When a verbal acceptance is received, the Human Resource Officer prepares and distributes the required written Employment Contract to the potential employee reiterating the verbal offer of employment. This written offer of employment is signed by the College President as the hiring authority for the institution.

• The President’s Staff person (or designee) will contact by telephone or in person any internal candidate(s) who were interviewed notifying them that the position has been filled. The Human Resource Office will notify (in writing) all other applicants that the position has been filled.

• All documents from the Committee(s), the President’s Staff person and/or designee, and the President will be forwarded to the Human Resource Office. Required documents will be retained for EEO/AA reporting and audit purposes. Documents not required for retention will be destroyed by shredding.

• The President’s Staff person (or designee) will announce the new hire to the College. The Human Resource Officer will schedule an orientation meeting with the new employee to complete required documentation for payroll and benefits. An official personnel file is established at this time and is retained in the Human Resource Office.
VIII. RECRUITMENT/SELECTION PROCESS FOR CLASSIFIED/SUPPORT POSITIONS

- The President’s Staff person in charge directs the selection process. (He/She may delegate as desired.) This person will work closely with the Human Resource Officer to ensure all State and federal guidelines are met in the recruitment/selection process.

- Initial Steps:
  - Analyze the vacant position to determine if any changes have occurred;
  - Update the Employee Work Profile (EWP) to reflect expectations of the duties and responsibilities;

Applicants may be asked to demonstrate their level of experience, knowledge, skills and abilities through a work sample. All newly hired employees require a criminal history/sex offender background check and may require additional checks based on position (if the position has been identified as sensitive in nature). All new employees are subject to e-verify to determine employment eligibility. Some classified/support staff employees are also required to complete a Conflict of Interest/Financial Disclosure Statement on an annual basis. Such requirements will be specified in the recruitment advertisement.
No positions will be advertised without the prior written approval of the President (signature on Request to Advertise form). The form is submitted to the Vice President of Financial and Administrative Services for approval (signature) and then to the Human Resource Office.

- Wytheville Community College encourages open recruitments which are open to all State employees as well as the general public. If the initial recruitment does not result in an adequate applicant pool, it may be necessary to re-advertise the vacant position.

- Number of positions being filled from this applicant pool (if more than one);
- Notice to applicants that they may be required to demonstrate the skills and abilities necessary for satisfactory performance of the required work;
- Any preferred qualifications.

- All application materials are received in the Human Resource Office. As documents are received, a listing of applicants is maintained for each position on an “Interview and Selection Log” (Appendix #2).

- While applications are being received and prior to the closing date, the President's Staff person (or designee) in conjunction with the Human Resource Officer will appoint a Screening/Interviewing Committee. This Committee will be diverse in nature and must be comprised of college-wide employees to include administrative/professional faculty, teaching faculty, and classified/support staff. The Screening/Interviewing Committee must have a minimum of three members, one of which must be a member of the Affirmative Action Committee. A Committee Chair will be elected from among the Committee members. This Committee will be briefed on the requirements of the position and the proper conduct of the interview. Only questions that seek information related to the applicant's knowledge, skills, and ability to perform the job are acceptable. Questions that are not job related or that violate EEO standards are not permissible. The listing of questions will be reviewed by the Human Resource Officer prior to the interview. Interviewers must document applicants' responses to questions to assist with their evaluation of each applicant's qualifications. This information will be retained with other documentation of the selection process.

• The Human Resource Office will compile copies of application documents and questions for each of the applicants and will distribute to each Committee member prior to the interview date.

• The interview process must include a formal assessment of each candidate's speaking and writing abilities. Written communication skills can be evaluated by requiring candidates to submit a written statement of one or more pages on a topic relevant to the job responsibilities. Oral communication skills can be evaluated by requiring, as part of the interview process, that each candidate make a presentation to the Screening/Interviewing Committee (or some other group) on a topic relevant to the job. This background check will only be processed on the applicant should they be the recommended applicant to hire. The background check will be run prior to an offer of employment being made to the applicant. A satisfactory background check is required for employment.

Telephone interviews or skype can be utilized for an initial interview; however, the candidate must meet with the hiring authority before a job offer is made. Should telephone/skype interviews be utilized, documentation of questions and responses are required and will become a part of the documentation for EEO/AA reporting and audit.

- The President’s Staff person (or designee) will conduct reference checks on the candidates interviewed. Reference check documentation will be retained by the Human Resource Office for EEO/AA reporting and audit purposes and will not become a part of the applicant’s file. See Appendix #4 for suggested reference check format.

- Following the Committee interview, the President’s Staff person and/or the President may interview any and/or all of the applicants.

- The Committee Chair will prepare a written recommendation to the President’s Staff person (or designee) listing strengths and weaknesses of each applicant interviewed along with a recommendation for hire or may make a recommendation to re-advertise should a final candidate not be recommended.

- Once a decision has been made for hiring, the President’s Staff person (or designee) confers with the Human Resource Office regarding a salary calculation. A written recommendation (to include start date

The Human Resource Office will notify (in writing) all other applicants that the position has been filled.

- All documents from the Committee(s), the President’s Staff person and/or designee, and the President will be collected by the Committee Chair and forwarded to the Human Resource Office. You must be told if information in your file has been used against you.
Anyone who uses information from a Credit Reporting Agency (CRA) to take action against you - such as denying an application for credit, insurance, or employment must tell you, and give you the name, address, and phone number of the CRA that provided the consumer report.

You can find out what is in your file.
At your request, a CRA must give you the information in your file, and a list of everyone who has requested it recently. There is no charge for the report if a person has taken action against you because of information supplied by the CRA, if you request a copy of your file within 60 days of receiving notice of the action. You also are entitled to one free report every twelve months upon request.

You can dispute inaccurate information with the CRA.
If you tell a CRA that your file contains inaccurate information, the CRA must investigate the items (usually within 30 days) by presenting to its information source all relevant evidence you submit, unless your dispute is frivolous. The source must review your evidence and report its finding to the CRA. (The source also advise national CRAs – to which it has provided the data – of any error.) The CRA must give you a written report of the investigation, and a copy of your report if the investigation results in any change. If the CRA's investigation does not resolve the dispute, you may add a brief statement to your file. The CRA must normally include a summary of your statement in future reports. If an item is deleted or a dispute statement is filed, you may ask that anyone who has recently received your report be notified of the change.

Inaccurate information must be corrected or deleted.
A CRA must remove or correct inaccurate or unverified information from its files, usually within 30 days after you dispute it. However, the CRA is not required to remove accurate data from your file unless it is outdated (as described below) or cannot be verified. If your dispute results in any change to your report, the CRA cannot reinsert into your file a disputed item unless the information source verifies its accuracy and completeness. In addition, the CRA must give you a written notice telling you it has reinserted the item. The notice must include the name, address, and phone number of the information source.

You can dispute inaccurate items with the source of the information.
If you tell anyone – such as a creditor who reports to a CRA – that you dispute an item, they may not then report the information to a CRA without including a report that the information if it is, in fact, an error.

Outdated information may not be reported.
In most cases, a CRA may not report negative information that is more than seven years old: ten years for bankruptcies.

Access to your file is limited.
A CRA may provide information about you only to people with a need recognized by the FCRA – usually to consider an application with a creditor, insurer, landlord, or other business.

Your consent is required for reports that are provided to employers, or reports that contain medical information.
A CRA may not give out information about you to your employer, or prospective employer, without your written consent. A CRA may not report medical information about you to creditors, insurers, and employers without your permission.

You may choose to exclude your name from CRA lists unsolicited credit insurance offers.
Creditors and insurers may use file information as the basis for sending you unsolicited offers of credit insurance. Such offers must include a toll-free phone number for you to call if you want your name and address removed from future lists. If you call, you must be kept off the lists for two years. If you request, complete, and return the CRA form provided for this purpose, you must be taken off the lists indefinitely.

You may seek damages from violators.
If a CRA, a user or (in some cases) a provider if CRA data, violates the FCRA, you may sue them in state or federal court.
