REVISED
June 2015
Summer 2015 TEAS V and LPN-STEP

Walk-ins (Only Mon & Wed) (9am-12p) (WCC Main Campus Location only)
Students are welcomed to take their test as a walk in to avoid setting up an appointment time and date. This option provides more flexibility and ease for students' schedules. This option is available in the months of May and Summer Semester **ONLY** (please see the WCC academic calendar for the Summer Semester calendar dates). Walk-in students are still required to follow all registration and in-processing instructions mentioned in this Testing Guidelines section prior to their walk-in test to avoid testing complications. This option is only available Mon-Wed, 9am-12p.

To schedule an appointment
Students must scan/email the “Selective Health Programs Testing Appointment Form” in their packet to rjohnson@wcc.vccs.edu; additional options include faxing to 276-223-4861, please use a coversheet that has “ATTN: Richie Johnson TEAS/STEP registration” or mailing address:

ATTN: Richie Johnson
Wytheville Community College
1000 E Main St
Wytheville, VA 24382

If you have any additional inquiries please call Richie Johnson phone # (276)223-4825 or email rjohnson@wcc.vccs.edu; Office in Bland Hall information desk (in the ARC).

Registration
All students must go online prior to their selected test date to www.atitesting.com to create a user account (please see the, **How to Create Your Account** page). Students are **NOT** able to register nor pay for their test until in-processing on their selected test date, students can **ONLY** create their ATI account and purchase study guides if they choose to do so.

In-Processing
Students who make appointments must be at the testing center at least 10 minutes early (except walk-ins) for their selected test time slot to begin their test promptly; testing proctors for all facilities have the right to not proctor a student’s test for those who are 15 minutes late for their selected time-slot (if students foresee they will be later than 15 minutes, they should contact their testing site: contact information provided below).

Upon arrival, students will present a photo-ID to the testing proctor and the students will then be given their appropriate “sign-in confirmation” sheet which they are to fill out duly. Students must have a working Debit/Credit card to then register and pay for their test as facilitated by the proctor. Calculators are **NOT** permitted during testing. Students will print and receive their scores upon completion of the test.

Please have the following items with you for in-processing:
- Photo ID
- ATI account username and password
- Working Debit/credit card (no other form of payment will be accepted)

All TEAS V and LPN-STEP testing are in accordance with the WCC testing center policies.\(^1\)
