

BLAND COUNTY PUBLIC SCHOOLS**1+1+2 PATHWAY**

Bland County Public School students can complete the following courses at BCHS prior to graduation. By doing so, they will have completed one year of the A.S. in Education degree. Overall, BCHS students will have the opportunity to complete 39 of 63 degree credits as part of dual enrollment studies.

Students will be able to attend WCC following graduation and possibly utilize the Wythe-Bland Scholarship (with qualification and completion of needed financial aid/Foundation requirements) for the final year of the respective degree. If attending full-time, students can complete their associate degree as a traditional student in one year. Students can then matriculate on to a four-year college/university for ultimate licensure and baccalaureate degree completion.
