

Practical Nursing - LPN

Deadline to have all materials turned into admissions:

March 16th, 2027

Step 1: Apply to WCC

Step 2: Request official transcripts from your high school and any colleges that you have attended. You do not need transcripts from any college in the VCCS. Transcripts can be sent to the addresses below:

Admissions Office

Wytheville Community College

1000 East Main Street

Wytheville, VA 24382

admissions@wcc.vccs.edu

Step 3: Ensure you have met the program course and GPA requirements and prerequisites:

English	Readiness for ENG111 as demonstrated by direct enrollment or by satisfactorily completing the required EDE10 course.
Biology	1 unit of high school or college biology or completion of NAS150 ("C" or better.)
Math	1 unit of high school algebra ("C" or better) or proficiency in/completion of MDE 10
Minimum GPA	2.0 cumulative GPA (if less than 12 college credits have been completed, high school GPA will be used.)

*For specific requirements please refer to the health professions grid chart.

Step 4: Prepare for and take the TEAS-VII test (**MUST** score at or above 20% composite score) WCC allows 3 testing attempts each year, but applicants must wait 30 days between each testing attempt. *(All tests must be administered in an approved testing center. Scores are valid for 3 years.)*

To schedule a TEAS test, refer to the Health Professions webpage.

Step 5: Request an application code and complete the Health Professions Application.

Begin Here. Become Anything.
